

Alice Wright Presidents report:

Welcome to all the new families

Wow, what a busy but fantastic start to the term, from mouse traps and a sausage sizzle at the Lincoln Focus Day Year 6 Enterprise Fair, to the Night Glow, cross country and catering for Tom MacKenzie's memorial. Firstly, thank you to all the volunteers who help at these events and to the quiet ones in the background. Without you the PTA wouldn't be able to do what we can for the children.

As per what was sent out in the news letter the last meeting on the 9th May cannot be counted as there were only 5 people present. Part of this meeting is to go over those things again and anything else that is brought up.

The night glow was an amazing success we had so many compliments and people coming back for more! People were grateful they only had to wait in one line for food and a drink, we were asked a few times for sausages for little ones that wouldn't eat bacon. We also had a lot of compliments about how fast our line was moving we had a fantastic set up, thank you to the helpers and to Diana Irving for donating the very tasty relish.

At the night glow we also had the under 5 bouncy castle we were asked last minute to do this and with no cost to us it was hard to turn down, many thanks to the helpers on the bouncy castle families were grateful it was only a gold coin donation and it seemed to go well.

Tom MacKenzie's family have been a part of our school for a very long time, Jenny, Tom's Daughter and Georgia, granddaughter have been judges for our annual speech competition and the family are a big part of our community, Tom's Son in law, Graham, (ex PTA President) asked the school if we would cater for this, Penny explained to me who the family were and their ties with the school. Thank you to the 3 ladies who helped me on the day and to everyone who donated food. The family were very grateful.

And lastly, thank you to the families that helped on the Lincoln Focus day lunch the mouse traps were a hit and didn't the years 4,5 and 6s do a fantastic job raising some of their own money for camp. Thank you to the helpers at cross country the children all ran very well.

I look forward to the next half of the year and what opportunities it may bring

Alice Wright
