

Week One: Term Two
Welcome back Tui

We will be learning all the same things as before but in a different way. We are going to learn via 'Distance Learning' and this is how we are going to do it...

How you will share your work with me -

1. I will send you an email each week with a link to open up a Google slideshow, I will also put the slideshow on Seesaw and in Google Drive. This will be our weekly schedule.
2. You will have Must Do's and Can Do's, I would like you to do the Must Do's first and I will tick them off as you finish them. Work will be assigned to you on Monday and finished by Friday. You can do them in any order you want to so long as the 'must do's' are done.
3. I will be around every morning from 9am to 12 noon if you want to email me or send me a message on Seesaw.

You will find work in your folder on our class drive hptui@hororata.school.nz .I will go in here each day and mark your work and provide feedback.

If you are doing work on Studyladder or Seesaw I will be checking that daily and will be able to see your finished work.

Don't forget to share all other wonderful things you are doing with us on Seesaw.

Reading groups - how we will do this

I will upload reading material for your group into Seesaw and I will also put activities with it.

I will be putting a copy of work onto Google Drive so you can print off a copy if you need to.

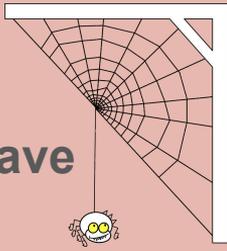

We will try to arrange a Zoom meeting once a week

So we can get together and discuss what we have read.

Web sites we will be using:-

hptui@hororata.school.nz is the address for our Google Drive, if you have forgotten the password you will have to email me asking for it.

Seesaw - seesaw.com - this will be the main site we will be using for our work.

Pobble 365 - www.pobble.com - I will go into Pobble and make an activity sheet for you to do on Seesaw. If you want a particular picture you will have to email me the date and tell me why you think the class will like it.

Studyladder - www.studyladder.com - you will be using studyladder for **Spelling and Vocabulary** work, some **maths** activities and some **reading comprehension** work.

Prodigy - www.prodigygame.com - you all know how to use this. Prodigy is a 'can do' so please make sure you have done your other work first :)

Groups or pods (studyladder uses pods):-
I will send you an email to let you know what group
you are in.

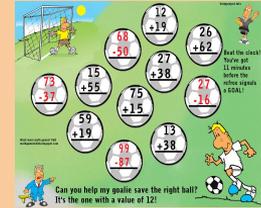

Maths groups

Circles

Triangles

Squares

Octagons

Reading Groups

Mars

Kits kats

Snickers

Crunchies

Spelling and vocabulary

Red

Blue

Green

Purple

Writing ...

You will all be doing the same Pobble activity as a 'must do'. This will be put onto Seesaw and Drive so you can either write on it in Seesaw or you can write on paper or type onto a Google Doc (make a copy first) and upload it to me.

I would also like you to start thinking about your speech I will include details of that in next weeks schedule. Hint ... start keeping a diary.

Hi Tui, I hope you understand this, if you have any questions please get in touch with me and I will explain (just like 'any questions' in class).

You will be assigned a reading text, a reading contract and an activity per week. You will be set some maths tasks and some writing tasks each week. I will also assign you spelling and vocabulary tasks in Studyladder. Remember to **C3B4ME** and don't forget to have time for physical activity and fun.

We will go live at 9am on Monday morning.

Enjoy working from home. Mrs H :)
