

Week Two: Term Two

A few housekeeping items before we start this week.

1. When you start your learning time please let me know, either an email to tell me you are working or a message on Seesaw. You need to do this everyday so we can mark the attendance roll.
2. I will mark your work and answer your questions from 9am to 12 noon. In the afternoons I need to get more work ready for you.
3. I will try to get all the work onto Seesaw and Drive so you can work out what is best. There are a couple of you whom I will email it to you.
4. I will check off each day what work you do. You may do it in any order but it must be done (if possible).
5. Don't stress out over anything...email me if there is a problem!

Must do and Can do : Week Two

Must do: These are either assigned to you or in our class Drive.

1. Maths activities on Seesaw/Drive
2. Writing activities on Seesaw/Drive
3. Reading and activities on Seesaw/Drive
4. Spelling on Seesaw/Drive
5. Keep up to date with your diary and your reading log.

Can do

1. Make Anzac Biscuits and show us your results and tell us what they tasted like.
2. Make your own poppy for Anzac day. Photos please.
3. Handwriting.
4. Prodigy Maths.

To find your work in Drive go to hptui@hororata.school.nz. Open up drive and you will see a folder in there called Week 2. If you do an activity from there it is very important that **you make a copy**. Go to file and click on 'make a copy'. Your screen will then have the copy on it...put your name in front of the title at the top. Close the original document please and then work on yours.

This week we will try to:-

I will try to set up a Zoom meeting with you all on Wednesday. We will try to do reading groups first and then, maybe, a whole class meeting. I will email you all with details and instructions before Wednesday.

Web sites we will be using and are interesting:-

Seesaw - seesaw.com - this will be the main site we will be using for our work.

Pobble 365 - www.pobble.com - I will go into Pobble and make an activity sheet for you to do on Seesaw. If you want a particular picture you will have to email me the date and tell me why you think the class will like it.

Studyladder - www.studyladder.com - you will be using studyladder for **Spelling and Vocabulary** work, some **maths** activities and some **reading comprehension** work.

Prodigy - www.prodigygame.com - you all know how to use this. Prodigy is a 'can do' so please make sure you have done your other work first :)

Remember that there are educational programmes on T.V.

Home Learning | Papa Kāinga TV is free to air, on TVNZ channel 2+1 and on TVNZ on Demand, as well as on Sky Channel 502, running from 9am to 3pm on schooldays with programming for children and young people aged 2 to 15, as well as for parents.

Hi Tui, I hope you understand this, if you have any questions please get in touch with me and I will explain (just like 'any questions' in class). Capisce :)

Remember to **C3B4ME** and don't forget to have time for physical activity, cross country coming up and make time for fun too

I will be 'in class' at 9am on Monday morning, see you all there!

Saturday is Anzac Day, no dawn parades but 'we will remember them'.

Enjoy working from home.

Mrs H :)
